This subpart applies to any program for which Federal financial assistance is authorized under a law administered by the Department. It applies to money paid, property transferred, or other Federal financial assistance extended after the date of this subpart pursuant to an application whether approved before or after such date. This subpart does not apply to:

(b) Employment practices except to the extent described in § 42.104(c).

[Order No. 365-66, 31 FR 10265, July 29, 1966, as amended by Order No. 519-73, 38 FR 17955, July 5, 1973]

§ 42.104 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected

to discrimination under any program to which this subpart applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient to which this subpart applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny an individual any disposition, service, financial aid, or benefit provided under the program;

(ii) Provide any disposition, service, financial aid, or benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any disposition, service, financial aid, or benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any disposition, service, financial aid, or benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership, or other requirement or condition which individuals must meet in order to be provided any disposition, service, financial aid, function or benefit provided under the program; or

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the type of disposition, services, financial aid, benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through

contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this subpart applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this subpart.

(4) For the purposes of this section the disposition, services, financial aid, or benefits provided under a program receiving Federal financial assistance shall be deemed to include all portions of the recipient's program or activity, including facilities, equipment, or property provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph and in paragraph (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) *Employment practices.* (1) Whenever a primary objective of the Federal financial assistance to a program to which this subpart applies, is to provide employment, a recipient of such assistance may not (directly or

through contractual or other arrangements) subject any individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff, or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities). That prohibition also applies to programs as to which a primary objective of the Federal financial assistance is (i) to assist individuals, through employment, to meet expenses incident to the commencement or continuation of their education or training, or (ii) to provide work experience which contributes to the education or training of the individuals involved. The requirements applicable to construction employment under any such program shall be those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(2) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient if discrimination on the ground of race, color, or national origin in such employment practices tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of or to subject them to discrimination under the program receiving Federal financial assistance. In any such case, the provisions of paragraph (c)(1) of this section shall apply to the extent necessary to assure equality of opportunity to and non-discriminatory treatment of beneficiaries.

§ 42.105 Assurance required.

(a) *General.* (1) Every application for Federal financial assistance to which this subpart applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be

accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this subpart. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, such assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, such assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible Department official shall specify the form of the foregoing assurances, and the extent to which like assurances will be required of subgrantees, contractors, and subcontractors, transferees, successors in interest, and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements thereon, or interest therein, which was acquired with Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved, but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Department
